### Changes In Fee Schedule

- Tuition and fee charges are subject to change at the school's discretion
- If there are any tuition or fee increases, the changes will become effective the next semester
- The student will be notified prior to any tuition changes

\*The calculations do not include deductions to which a student may be entitled for scholarships or other awards. All dollar amounts in CAD.

## **Westcliff University Canada Scholarships**

Westcliff University Canada is proud to offer the following scholarships designed to reward achievement and support student success in their academic program. Scholarships reflect Westcliff's mission to educate, inspire, and empower students to personal and professional success. Scholarships are automatically applied based on qualifying criteria as verified by information provided by students or student performance as verified by the Registrar's office.

Scholarships below cannot be combined unless noted below. Students eligible for multiple scholarships will receive the one with the most significant benefit, with the noted exceptions. Scholarship amounts cannot exceed the total cost of tuition.

### **Corporate Partner Scholarship**

- Eligibility | Prospective students currently employed with one of Westcliff University's Canadian partner organizations, as long as they remain enrolled and employed
- Amount | Varies depending on partnership; prospective students should consult their employer or admissions advisor for details

[Refer your organization](#) as a potential Westcliff corporate partner
